

NEVER TOO LATE  
**MARTI** S P A R K  
**MENDENHALL**  
 I M A G I N E

Marti Mendenhall is a magnetic, engaging performer, whose live shows are hip, entertaining and original. Mendenhall's Post-Jazz-Pop appeal and stellar vocal improvisations captivate audiences with the passion of Jazz and the singability of Pop. Compared to Michael Bublé, Sophie Milman and Jamie Cullum, she sings both jazz standards and a catalog of original songs at her high-energy shows. Mendenhall is quickly gaining regional momentum as a Jazz teacher, adjudicator songwriter and performer. Marti Mendenhall is "a rare cross-over songwriter and an outstanding entertainer!"
